**Introductory Comments**

In response to a paper bearing a mail date of April 9, 2003, a response to an election requirement and a requirement to submit a sequence listing are enclosed. The applicants note that the sequences in question are not claimed, and therefore are irrelevant to the prosecution of the claims in question. Also enclosed is an information disclosure statement, together with two copies of all the references cited therein in .pdf format. If the Examiner so desires, the applicants will be happy to furnish hard copies of any or all of the references.
